

TOGETHER FOR THE BETTER

Okulumuz 9/F sınıfı öğrencilerinin İngilizce öğretmenleri Arzu Cereci rehberliğinde yürüttükleri 'Together for the Better' isimli eTwinning projesi devam etmektedir. Projede 6 farklı ülkeden 11 ortak okul ile birlikte etkinlikler gerçekleştirilmektedir. Projemizin hedefi sürdürülebilir kalkınma hedeflerini tanıyıp, daha yaşanılır bir dünya için çalışmaktır.

Dünya - evimiz- güneş sisteminde yaşanabilecek tek gezegendir. Doğal kaynaklar ve güzelliklerle doludur. Burada nefes alacak hava, üzerinde duracak toprak, içilecek su, yenecek yiyecek ve kullanılacak enerji var. Ancak böyle yaşamaya devam edersek dünyaya zarar veririz. Bunu değiştirmek için ülkeler bir araya geldiler ve gelecek nesillerin kendi ihtiyaçlarını karşılama yeteneğinden ödün vermeden bugünün ihtiyaçlarını karşılayan bir kalkınma planı yaptılar. Bunun için herkesin görev alması gerekiyor. Bu proje kapsamında üzerimize düşeni yapmayı hedefliyoruz.

"At the desk where I sit, I have learned one great truth. The answer for all our national problems, the answer for all the problems of the world, comes to a single word. That word is education."
- Lyndon B. Johnson -

because this saying made a lot of sense to me and that's how I think.

"Education is not preparation for life education is life it self."
John Dewey

Because the word is meaningful. Appealing to the ear and eye

If all men are born free, how are all women born slaves? - Mary Astell

• The level of development of society is directly proportional to gender equality. Women are also provided with employment in the developed country. Backward societies, on the other hand, start ahead only when their men are born with the so-called male superiority called patriarchy. But what they forget is that they were brought into the world by a woman. It is women who bring their presidents, sultans into the world and give them a chance to live. It should be noted that this is the only way

"A quality education grants us the ability to fight the war on ignorance and poverty."

~ Charles Rangel ~

I choose this quote because i believe too if we're war ignorance and poverty the most effective power be education.

when i look at a person, i see a person- not a rank, not a class, not a title
-criss jami
i choose it beacause i think people are made up of personalities, not ranks, not genders, not colors.

The screenshot shows a Zoom meeting interface. On the left, there is a gallery view of participants, including Gabriel, Atilla, Selinnur, KDP7zH, Angel, and Nehir Karahan. The main part of the screen is a shared browser window displaying a mind map titled "IDEAS MIND MAP". The central node is "jobs dominated by men". Surrounding this central node are several other nodes: pilots, housekeepers, soldiers, mechanics, farmers, security guards, postman, accountant, firemen, electricians, and civil engineers. The browser window also shows the URL "mind map" and "Ideas Mind Map Worksheet".
